

David D. Seils Relief Wall Sculpture Pricing Sheet

Minimum Price: Sculpture Size 0 to 160 Square Feet: Price is \$5,600 or \$35 per square ft.

Pricing starts at \$35 per square foot and decreases with increased size of sculpture.
At 290 sq. ft. price decreases to \$32 sq. ft. - At 500 sq. ft. price decreases to \$30 sq. ft. At
900 sq. ft. and above price remains at \$28 sq. ft.

The square foot is determined by multiplying the height by the width of the wall surface.

The price per square foot may increase if design requested is complex. The expense of
attached lettering and logos is a separate pricing issue.

Sample Size and Pricing structure per square foot.

Other conditional issues for consideration - next page

Additional issues for consideration

Pricing includes: Travel within Buncombe, Haywood, Hendersonville, McDowell and Madison Counties in North Carolina. All materials, owned equipment, rental equipment, assistant fees and work to completion.

Pricing does not include: Travel expense, lodging, transport of materials and equipment outside of above counties, other states, foreign countries, liability insurance or extensive wall preparation (repairs, wire lath, stop beads, corner beads and sculpture base footer foundation or unforeseen issues, extra natural rock walls and installation of construction projects in surrounding areas)

Price does not include adverse working conditions such as access issues to wall surfaces that requires extensive labor preparation or hazard dangers to workers - these would be at an extra expense and open to review considerations before agreeing to proceed safely.

Payment Terms: Design fee of \$150 due prior to design process. A one third non-refundable deposit is due two weeks prior to start date of sculpture (to order supplies, materials and scheduling fees) An additional one third payment is due as work progresses to near completion. Final one third due upon completion.
